

Drug Formulary Update

Dear Member,

Effective April 1, 2010, your Preferred Drug List will be updated to include the following preferred brand drug additions and deletions. The list below details those drugs that will be moving from preferred status to non-preferred status due to the availability of generics.

Drugs moving to Non-Preferred with Generic Available ([generic equivalent](#))

PREVACID – ([lansoprazole](#))
LOPROX – ([ciclopirox](#))
VALTREX – ([valacyclovir hcl](#))

RxEDO's Pharmacy & Therapeutics (P&T) Committee continually evaluates all drugs available in the market. Updates are based on those drugs that produce the best medical outcomes for our members. Please review and discuss these changes with your physician. Should you have any questions please contact our member services department toll free at (888) 879-7336.

Thanks!
